

TAB

UNITED STATES ARMY
INTELLIGENCE AND SECURITY COMMAND
OFFICE OF THE CHIEF OF STAFF

DCG - I

Believe you should
approve this paper. If we
are going to do something meaningful
on this project the numbers
sound reasonable.

Can understand Col Jones concern.
He is short people, primarily E-4
and civilians but believe he needs
to back in his share of the support.
The program has great potential
in his area should it be successful.
Do you think ~~we~~ need to discuss
with Gen Smith because of ITAC
non-concurrence.

TAB C

A handwritten signature in black ink, appearing to be a military rank like "Major General".
